

FUNDRAISING OPPORTUNITIES

These are the ones currently planned. These may be added to or removed as boosters reassess needs as we move through the season. Each program may have other independent fundraisers throughout the year to solely benefit their band.

KIWANIS INCREDIBLE DUCK SPLASH HAPPENING NOW

Sale begins end of July (band camp) and continues through end of September. Students sell rubber duck adoptions and keep 80% of money for student accounts. Sell \$100 worth of adoptions, get \$80 in your student account. Each adoption gets the purchaser one entry into the Duck Splash in October where thousands of rubber ducks are dropped into the Mill Race Pond and winning numbers are drawn at random for prizes valued over \$2500.

SCRIP ONGOING

Turn everyday shopping into earnings towards your student account. Purchase gift cards (physical or electronic) to places you shop all the time or for gifts. Each card has a percentage attached to it that you earn. It may seem like a small percentage, but it adds up. We have families earn hundreds of dollars via Scrip by getting friends and family involved. Go to www.shopwithscrip to enroll. Remember to enter your student's name.

Go to account settings and pick your home booster club (specific name noted below) as your charity organization to support. A percentage of each purchase will be donated to the program.
